

Sci-Fi Streetz: The Book of Hip Hop Sci-Fi Stories

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Hip Hop Comix N Flix, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The world of Science Fiction is so expansive that once I stepped into this world I wanted to write about everything. In this book I chose some of my favorite areas under the Sci-fi umbrella to write stories in Revisionist History, Robots, Gargoyles, Demons, Horror, Time Travel, Space Travel, Futurism, Pirates, Werewolves and Military Sci-fi. This book is written with the Hip Hop generation in mind because they are the future and Sci-fi fuels the imagination. Sci-fi pushes the imagination and makes people dream. Many young people have so much drama in their lives they only think about the happenings of today's world. They rarely think or dream about the future or enjoy the escapism that Sci-fi provides. If you can dream it you can achieve it and I wonder if you don't dream what will you achieve? The stories in this collection are: Nightmare on Halloween Camp: follows the story of Maurice and Eni from Thug Angel Rebirth of a Gargoyle. In this story Maurice has to transform into his gargoyle form in order to rescue Eni (his daughter) from a demonic entity. The Screaming: tells the story of a werewolf who has learned to control his transitions through a strict vegetarian lifestyle. When gang violence erupts in the community surrounding the college he works at, things go horrible wrong. The Voyage of the Blackstar: is the first part of a series of stories following a group of African pirates as they wage war on European slave traders and they lay claim to the Caribbean.
