Inner Traditions Bear and Company, United States, 2001. Paperback. Book Condition: New. Carla McGregor Mihelich (illustrator). 287 x 221 mm. Language: English . Brand New Book. This magically illustrated fold-and-tell teaches children, step-by-step, how to make an origami crane and offers lessons in life along the way. - Includes illustrations of each paper fold and instructions in language appropriate for children as young as 4 years old. - Presents a story that emphasizes life s successes, joys, creativity, and triumph over adversity. - Provides an additional succinct summary of all the folding steps and a paper template for parents and teachers. In this delightful fold-and-tell, the author teaches children to create the traditional origami crane. Through inspiring, accessible prose interwoven with richly detailed illustrations that seem to burst exuberantly from their borders, *Spread Your Wings and Fly* cleverly combines clear folding instructions with a simple story of the ups and downs, missteps and wondrous flights that are part of life for all of us. The author s words conjure images of perennial delight in each folding step toward creating a finished bird: first it looks like a kite, then like an ice cream cone; at one moment the folded paper resembles a sailboat, at another an elephant with large ears. The story reminds youngsters that sails may lose their wind or ice cream may fall from your cone-- but with the next fold of paper, children are brushing themselves off and moving on with their paper creations. For extra clarity, a separate, detailed step-by-step summary of folding instructions is provided for adults, along with a pattern for paper squares perfectly sized for small hands to fold. *Spread Your Wings and Fly* is a remarkable tool for parents, teachers, or anyone who spends time with children and wishes to share with them...
