

River (Main)

By Ted Hughes

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, River (Main), Ted Hughes, First published in 1983, "River" celebrates fluvial landscapes, their creatures and their regenerative powers. Inspired by Hughes' love of fishing and by his environmental activism, the poems are a deftly and passionately attentive chronicle of change over the course of the seasons. West Country rivers predominate ("The West Dart" and "Torridge"), but other poems imagine or recall Japanese rivers or Celtic rivers, and "The Gulkana" explores an ancient Alaskan watercourse. At its core the sequence rehearses, in various settings, from winter to winter, the life-cycle of the salmon. All this, too, is stitched into the torn richness, the epic poise that holds him so steady in his wounds, so loyal to his doom, so patient in the machinery of heaven.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
