Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Dimensions: 8.9in. x 6.0in. x 0.7in.Lets face it, most everyone went to High School and somehow it doesnt matter what you did and where you were, everyone pretty well has similar memories. Thoughts about growing up, music, the clothes, and your fellow classmates in the 50s to the late 60s are not just for class reunions. There isnt a day that does not go by that I dont have flashbacks like in the film Peggy Sue Got Married. This book would not have been written had it not been for the former students of Heroes Memorial and Massey Vanier in Cowansville, Quebec, Canada joining together on Facebook to create these memories. It was nothing but joy for me to compile these bits of conversation and add some of my own stories to do some good for the school. Proceeds from this book will go to either a breakfast or anti-bullying program at Heroes Memorial and this book is dedicated to every single one of you that lived in my era, because you know what We rocked! This item ships from La Vergne,TN. Paperback.
