In a day when the blood of Jesus is being removed from the very translation of the Bible itself, when the mention of the blood of Jesus is considered offensive even in the churches, this book is a God-send for those who are willing to accept the ways of God without cringing. Though the blood of Jesus is not in any way magical, it is nonetheless crucial and foundational to receiving ANY benefit whatsoever from God. If one could list all the spiritual blessings in the heavenlies in Christ Jesus (Eph. 1: 3), and then search out the sole reason why these benefits are available to born-again Christians, and only to born-again Christians, they would find that every single one without exception is only available because of the shed blood of Christ. Murray clearly shows this truth in his books and mentions over a hundred benefits (between the 2 books) that are only available by Jesus Christ's shed blood. If you want to get back to true biblical Christianity, you must get back to the centrality of the precious blood of Jesus. Otherwise, you have no source of heavenly, spiritual, benefits from God, including salvation itself. Hebrews says, Without the shedding of blood there is no forgiveness of sin. Murray shows clearly that within that statement is included ALL the resulting benefits of forgiveness, as well. This item ships from La Vergne, TN. Paperback.
