LiFi Publicationss Pvt. Ltd., 2015. Paperback. Book Condition: New. The characters in the stories dance in tune to each other; they track life through the lives around. Broken marriages, secret pain, abandoned desire, remembered roots set the plots. In a dystopic world of disorders, the women and the men, flawed and lonely, look for love in the wrong places, find it in forgotten corners, ask for it from the wrong people, receive it from unknown quarters; unable to give up on the dream of togetherness they trudge on and on in hope of harmony, and if companionless they make peace with the self within.
